Dear Mr Ng

**LETTER OF COMMENDATION FOR MR SAIFUL ISLAM KHANDAKAR MD
ADBUL HAI K (WORK PERMIT NO.: 0 61953124)**

I am pleased to commend your above mentioned staff, Mr Saiful, on his recent work for Institute of Technical Education (ITE) to setup the data cabling infrastructure at our data centre and support us on our data centre relocation project in Oct 2012.

2 Mr Saiful had shown great professionalism in his capacity, leading his team to complete the given works on schedule. The quality of the setup and delivery was of very high standard. Without his dedication and hard working attitude, ITE would not have achieved our objectives the relocation successfully.

3 I look forward to working with Mr Saiful again should any opportunity arises.

Thank you.

Yours sincerely
