**Subject:** RE: Project SIM Phase 2 Handover of Com1 31st Storey

Dear all,

We have completed all the Project SIM fit-outs this month as scheduled. I wish to thanks each and everyone of you for helping made this possible. You guys worked really hard in the last 12 months. I really appreciate it. The success had in no small way due to your individual and your colleagues' contributions. The team spirit, the co-operation and the sense of achievement shown by the team throughout the period had enable us to pull through this enormous task, despite the very tight schedules.

Pals accept my sincere thanks. Pals also help me extend my appreciations to your colleagues whom I may have missed out in the address list.

Warmest regards and cheer !

Siew Cheong
